

## LEVELS OF IMPACT

The process of creating impact begins at the individual level as sisters gain relevant skills and leadership competencies, which they can then use to impact their congregations and ministries.

### ALUMNAE IN ACTION

**Sr. Winifred Nyonyozi**  
SLDI Alumna, Uganda

Holds **leadership positions** within and outside her congregation.

Major contributor to her congregation's strategic plan, which **improved financial and reporting** practices.

Instituted a **congregational savings culture**; **negotiated better interest rates** for the Association of Religious in Uganda.

**Mobilized local resources** for health needs and **mentored** another congregation in developing funded projects.

**Authored** a chapter in ASEC's book, Transformative Partnerships.

The SLDI program has **served 2,491 Sisters** since 2007

SLDI alumnae **served 2.1+ million** people, mostly in rural areas

Projects of alumnae **created 3,500+ jobs**, aiding economic growth

## INDIVIDUAL LEVEL IMPACT

**Improved Self-Perception 96%** of alumnae **improved their self-perception** ( $n = 526$ ) and 93% ( $n = 523$ ) improved their relationships.

**Use Skills Effectively 93%** of alumnae **use their skills effectively** to benefit their ministries ( $n = 478$ ) and congregations (88%,  $n = 510$ ).

**Hold Leadership Positions 73%** of alumnae **took up a ministry leadership position** ( $n = 517$ ) and 41% ( $n = 507$ ) received a leadership position outside their ministry.

## CONGREGATIONAL AND MINISTERIAL IMPACT

**Strengthen Internal Systems 74%** of alumnae **created or strengthened an internal system** in their ministry and/or congregation ( $N = 567$ ).

**Human resources management** and **strategic planning** are the leading areas of systemic improvement in ministries and congregations, respectively.

	IN MINISTRIES	IN CONGREGATIONS
Human Resources Management	38.6%	28.9%
Financial Planning	37.6%	27.5%
Strategic Planning	35.8%	29.5%

## SISTERS ADDRESS URGENT HUMAN DEVELOPMENT NEEDS

Alumnae have **secured \$16.5+ million** for projects that impact the UN Sustainable Development Goals.

**51% of funding** secured supports education and health needs.
